JAPAN GOLDEN ROUTE

Discover some of Japan's *cultural and historical* treasures

As its name suggests, Japan's Golden Route visits a range of destinations from the exciting, bustling capital city of Tokyo, the picturesque and ancient capital of Kyoto, and Japan's most renowned city, Hiroshima. Tokyo, host to the 2020 Olympic Games, offers the most modern shopping experience while still being home to historic, elegant buildings and temples. Mt. Fuji, with its single snowy peak, is another impressive, breathtaking location. On a clear day, the views are simply incredible. The cities of Kyoto, famous for its serene, charming vistas, and Hiroshima, where you can learn about its momentous history at the Peace Museum, provide much interest and enjoyment. Finally, the island of Miyajima will offer you a wonderful insight into Japan's natural life.
